Guest Speakers

Dr. Katerina Pavenski is a clinical adult hematologist, the Head of Division of Transfusion Medicine and medical director of patient blood management program at St. Michael's Hospital, Unity Health Toronto, Canada.

She is an associate professor in the Departments of Medicine and Laboratory Medicine and Pathobiology, University of Toronto. She is a member of the national and provincial blood advisory committees, the ICTMG and ISBT Clinical Transfusion Working Party.

Dr. Chris Gallivan received his MD from the University of Western Ontario in 2010 and completed his internal medicine residency at Dalhousie University. He joined the Division of Internal Medicine as an assistant professor with Dalhousie in 2015. He completed a masters degree in Medical Education from Acadia University in 2016. Dr. Gallivan's interests include medical education, thrombosis and hemostasis. He currently runs a weekly thrombosis clinic. He is also Clerkship Director for Internal Medicine.
